#### Release of Claims

In consideration of joining GET FiT Lubbock, I do hereby release and forever discharge TTUHSC, (including the Garrison Institute on Aging), its officers, board of regents, directors, agents, servants and employees, students and any and all parties, firms corporations, or persons in privity with it, whether identified by name or not, from any and all past, present or future claims, demands, actions, causes of action, costs, damages or liability of any kind or character whatsoever, both recognized by common law or by statute which I may have, or purport to have, for or in any manner arising out of my own participation in or attributable to GET FiT Lubbock, whether now known or unknown, whether now recognized by law or not. This release and discharge is general and without limitation and releases any and all claims and causes of action of any nature against TTUHSC, and such release includes, but is not limited to, any and all past, present and future, known or unknown, personal injuries, disabilities, physical and emotional distress, pain and suffering, mental anguish, loss of services, care, maintenance, solace, advice nurture and contributions, consortium, medical care, hospital care, doctor, surgical or nursing care, Medicare of Medicaid reimbursement, physical therapy expenses, loss of wages, loss of earning capacity and all other expenses of any and all kinds whatsoever, whether specifically set forth herein or not, which I may or might possibly claim against TTUHSC or any of its employees, officers or regents, whether past, resent, or future.
